Q Have you any documentary evidence to support your statement that you were born in San Francisco, California?

A Yes. (Shows certificate of birth, No. D-29802 (646) dated June 21, 1904, under the hand and seal of the County Recorder, County of San Francisco, City of San Francisco, State of California, showing the birth of one Yee Jock Leong, male, Chinese, January 15, 1884, name of father Yee Kim Wo, name of mother (before marriage) Wong Shee, residence 741 Sacramento Street.)

From my investigation it would appear that the applicant is actually a native born citizen of the United States as claimed, as his papers are indorsed "For China, SS "Siberia" November 4, 1905; from China SS "Korea" Ticket No. 152, arrived S.F., April 29, 1908, landed May 1, 1908". I therefore recommend him to the favorable consideration of the officer in charge at the port of departure.
