Referring to your file No. 12017/3236, case of Yee Jack Leong,
native, of Irwin, Penna., who departed for China through your port
about four months ago, I inclose herewith for your information and
file copy of a letter received from this Chinaman by the Pittsburgh
office yesterday, which would seem to indicate that he intends bring-
ing his wife and minor son to the United States with him on his re-
turn.
